

PART 4. STANDARDS OF CONDUCT

R 339.23401 Licensee relationship to others participating in preparation of appraisals.

Rule 401. A state licensed or certified residential or certified general real estate appraiser shall not sign an appraisal report for a federally related transaction unless that licensee has performed the appraisal in accordance with uniform standards of professional appraisal practice and is properly licensed to perform the assignment. The material participation of any other individual in preparing the report shall be acknowledged in the report as required by the uniform standards of professional appraisal practice regardless of the licensure status of the other individual. The signature of a state-licensed, a certified residential, or a certified general appraiser as a supervisory or co-signing appraiser shall not be used to mask the preparation of a report by an individual who is not authorized to sign the report.

- (a) Appraise properties that are not federally related transactions or real estate related financial transactions.
- (b) Assist a state-licensed, certified residential, or certified general real estate appraiser in the development of an appraisal for a federally related transaction or a real estate related financial transaction. Rule 405. (1) A licensee shall state the level of license held in all advertising. Merely stating that the person is licensed does not satisfy the provisions of this subrule.
